

BREATHING SPACE CAFE

WINTER NEWSLETTER

VOLUME 2, JUNE 2008

Mothers' month was a great success,
Plenty of Breathing Space for all I can guess,
But even though mother's month ends in May,
2 dollar Kids Space is here to **STAY!**

WELCOME to all of our new customers!
May has been an extremely hectic month at Breathing Space Café, thanks to our promotion of Mothers' Month and our \$2 Kids Space special.
In fact, we have received so much support from you all that I have decided to make it permanent feature of our café. So instead of \$6 per half hour per child, Kids' Space is now \$2 per child for up to 2 hours.

"I've noticed that one thing about parents is that no matter what stage your child is in, the parents who have older children always tell you the next stage is worse"

We love feedback & new ideas... if you have any suggestions or comments about your experience at Breathing Space Café please go to www.breathingspacecafe.com.au and let us know

Breathing Space Café has been fortunate enough to receive some fantastic media coverage recently... we're being talked about in a good way!
