

KIDS' SPACE...HOW WE WORK

- Proceed to the Kids Space door and ring the doorbell
- You will be greeted by one of our friendly Kids Space staff who will show you & your child/ren into Kids Space
- You will be asked to do the following:
 - 1) Sign your child/ren in to Kids Space - be sure to pass on any important information to the carer that you feel they should know about your child such as allergies, toilet training, or behaviour issues
 - 2) Apply one squirt of antibacterial hand gel to your child's hands and rub in well
 - 3) Write out a name tag and place it on your child
- Feel free to stay for a few minutes to settle your child but we request that once they are settled you move into the café for 'your time'.

Kids space is a kids only zone.

For the safety and security of all children in Kids Space only Blue Card qualified Breathing Space Café staff are allowed to remain in Kids' Space.
